CREATIVE WRITERS! CALL FOR ROLLING SUBMISSIONS

MODA's column, *The Blank Page*, will feature short works of flash fiction, prose, and poetry on a biweekly basis. Your work will be featured in the Arts section of MODA's webpage at www.modamadison.com, paired with a short piece of commentary from the editor.

Submission guidelines:

- Prose/flash fiction should not exceed 2000 words. Unfortunately, we will not be accepting longer pieces of short fiction. However, feel free to submit portions from longer works – if you do this, please include the title and a short description about the piece as a whole.
- Poems should be submitted individually, not as compilations.
- All submissions should be meticulously revised and edited.

Submissions can be sent to eheland@wisc.edu THROUGHOUT the semester. Please include your full name, major, and year in school in the body of your email.
