ESL Tutor List

Contact ESLtutor@english.wisc.edu for a copy of the list of tutors the ESL program maintains. Alternatively, you can ask for assistance during business hours in the ESL office, 5134 Helen C. White, or call 608.263.3780.

TAs as Tutors
TAs may be engaged as private tutors either independently or with one or more academic enrichment or tutoring programs across campus. Because TAs engaged in these activities face a conflict of interest, it is College policy that it is inappropriate for a TA to work as a private tutor with a student enrolled in a course to which that TA is assigned, whether or not the student is enrolled in that TA’s section.
